

## Pocket Park Usage

The Belle Creek Metro District does not rent out, approve, or police individual pocket park rentals within the Belle Creek community. Residents are encouraged to use the pocket parks but follow the guidelines listed below.

- Pocket parks are intended for gatherings under 25 people.
- All pocket park gatherings should be over by 8 p.m.
- No amplified music is allowed.
- Drinks should not be distributed in glass bottles or containers.
- Residents using a pocket park need to notify all neighbors that might be affected by the gathering.
- **PLEASE CLEAN UP AFTER YOURSELVE !**

If you notice that people using a pocket park are not adhering to previous park guidelines, we recommend calling the Commerce City Police Department. They are best reached by calling 911 and notifying them of the non-emergency nature of your complaint.
