

# Snow Removal

**Sidewalks:** Residents who reside on property in Belle Creek are responsible for removing snow on their property. If you live in a house that is located on a corner lot, you are responsible for snow removal on that corner as well. The United States Postal Service has the right to refuse delivery to mailboxes they cannot get to due to snow, or if mail carriers perceive accumulated snow as a hazard. The Townhome Association is responsible for snow removal on townhome sidewalks, the apartment complex on apartment sidewalks and stairs, and the Belle Creek Metro District on family center sidewalks. The Belle Creek Metro District removes snow in parks that are on main thoroughfares only. The school is responsible for removal of sidewalks on school property.

**Alleys:** The Belle Creek Metro District is responsible for snow removal in the alleys. Snow is removed at a depth of 6". Snow on townhome aprons are removed by the Townhome Association.

**Streets:** The City of Commerce City is responsible for the removal of snow on streets. The city removes snow based on the priority of the street. Longs Peak Avenue and Belle Creek Boulevard are 2nd priority streets. All other Belle Creek streets are 3rd priority streets and snow is rarely removed on them. The Commerce City Public Works department is responsible for snow removal and sweeping on city streets.

**Parking Lots:** The Belle Creek Metro District removes the snow in the family center parking lot, the school is responsible for snow removal in the school's parking lot and the apartment complex is responsible for removal of the snow in the apartment parking lot.
