

Trash Service

Waste Management provides trash service to Belle Creek homes and townhomes. Call them at 303.797.1600 to set up your service or if you are a homeowner to schedule a free large item pickup or for container delivery if you are a townhome resident.

The City of Commerce City pays for trash pick-up for individual homeowners and townhome owners. Large item pick-ups are a free service offered by the city. All you have to do is set out your large item on trash day and call Waste Management (prior to the pick-up day) at 303.797.1600, and inform them of the large item you are requesting be picked up.

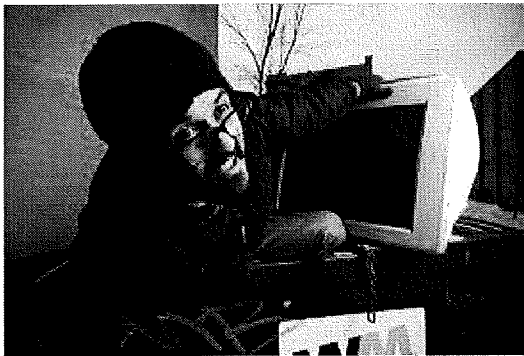

Dumpster Usage

There are seven Dumpsters in Belle Creek, but they are for private use only. The Dumpster at the Belle Creek Family Center is for family center use only, and the six Dumpsters at the apartment complexes are for the exclusive use of apartment residents.

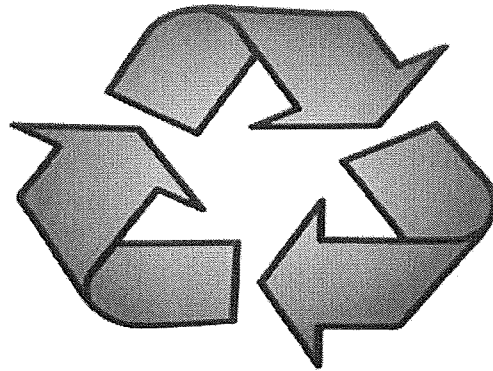

Unauthorized use of Dumpsters is subject to prosecution and fine.

Landscaping

Not sure who is responsible to mow or replace plant material? The best way to determine who is responsible for an area is to determine who irrigates it. In most cases, if you irrigate the grass, then you are responsible for mowing the grass, and for replacing landscaping in that area.

Questions regarding common area landscaping can be forwarded to the Belle Creek Family Center. The Belle Creek Metro District maintains the pocket parks, multipurpose field and entryways throughout the community. If you see broken sprinkler heads or mainline leaks please call the family center at 303.289.3584 or e-mail the family center at

anthonybuller@bellecreek.org. The Townhome Association is responsible for landscaping in front of the townhomes and in townhome specific parks. The apartments are responsible for their landscaping.

Changes to homeowner landscaping need to be submitted to the HOA by filling out an architectural review form for a list of HOA approved trees.
